Night, 21.00

The Newark Electric Light & Power was the only one of the competitors hat named a price for private consumers, which was at the rate of 1 cent per ampere metre measure. This, Mr. Jackson explained was equivalent to gas at \$2.00

hads of the Road Committee. Mr. Full- of his work, but it is believed that it will has appeared before the Town Com- prove entirely satisfactory to all conmittee several times, endeavoring to cerued. have some repairs made to the streets in front of his property, which he alleges are in a very bad condition and impassable for vehicles. Mr. Fullman spoke would receive immediate attention.

WHO IS RESPONSIBLE?

Mr. John Suffern appeared before the Town Committee on Monday night, as he alleged for the first time in 28 years. Mr. Suffern desired to know who owned the riangular piece of property in front of the Seminary building. His reason for requesting the information was to fix the esponsibility for the neglect to clean the snow from the aldewalks there.

A communication from Jacob Fornoll ead at the Town Committee meeting on Monday night informed the co hat Mr. Fornoff wanted the \$10 refunded hat he paid for a vender's license.

sted & Cady is at present engaged in the will be taken out and new ones put in East Jersey Water Company's office at places,

To The Citizen :- Children who attend the public schools of this town, if they are so disposed and their parents are able to afford it, can acquire an excellent for many years after its organization, uncommon school education. Their tuition is

attended to by an able corps of teachers. The management of the schools is in the position, and that Club undoubtedly owes hands of an excellent board of trustees. There is, however, one great cause of its behalf. The erection of the unique system of this town, and it is making it, due to his influence with the Railroad common school education becomes more comprehensive. It is the question of the

Families in indigent circumstances cannot meet the heavy tax imposed upon them for text books, particularly if three or more children from one family are attending school. In the township of East charge. Of course a higher rate of school tax is imposed to meet the expense. It is a question though, whether that rate exceeds the tax paid in this town by the books is added to the amount charged against him in the tax levy. The matter

is one deserving of investigation.

Approaching a Settlement, Mr. Joseph L. Munn, Counsel for tax collector Mr. A. C. Marr, who for several months past has had under examination sion as to the advisability of laying the the report submitted to the Auditing bids over until after the spring election, Committee by expert accountant Stevens, or of acting upon them at once. It was stated to the committee on Monday night finally decided to hold a special meeting that he had completed his labors and on the 29th inst, at which the various submitted a copy of his work to the com-MR.
